OLYMPIC COMPETITION FORMAT

The baseball competition at the Tokyo 2020 Olympic Games consists of a men's tournament with six teams that compete in two phases: the opening round and the knockout stage with bronze and gold medal games. Each team competes with a 24-player team roster, and no more than nine athletes are allowed to take the field at the same time during their fielding half of an inning.

- Opening round: there are two groups of three teams, each team plays every other team in the group. Teams are ranked at the end of the opening round by win-loss record of all games. All teams will advance to the knockout stage.
- Knockout stage: the knockout stage features six rounds, including two medal games (gold and bronze).

To learn more about the tournament, please refer to the tournament chart shown in Info.

DIFFERENCES BETWEEN THE WBSC PREMIER12 AND THE OLYMPIC GAMES

The 2019 World Baseball Softball Confederation (WBSC) Premier12 featured 12 teams, which were divided into three groups of four teams (A, B, C) during the opening round. Each team played every other team in their group, and the top two teams from each group advanced to the super round, while the six other teams were eliminated from competition. In the super round, the six remaining teams played head-to-head against all teams that they did not play against during the opening round (four games per team).

The four teams to advance to the finals are based on the previous head-to-head results from the super round as well as the opening round. The first and second-place teams after the super round play in the championship final. Third and fourth-place teams after the super round play the bronze medal game.

CHANGES SINCE THE BEIJING 2008 OLYMPIC GAMES

The number of competing teams has been reduced from eight to six.

The competition format of the final round (knockout stage) has changed to a bracket with direct/double elimination (round one, round two, round one repechage, round two repechage, semifinals) and medal games.

SPORT RULES AND PROCEDURES

Regulation games

A. No game shall end in a tied score. A regulation game consists of nine innings, unless extended because of a tied score, or shortened because:

1. The home team needs none of its half of the ninth inning or only a part of it; or
2. The umpire, with the approval of the WBSC technical commission, calls the game.

B. If the score is tied after nine complete innings, play shall continue until:

1. The visiting team has scored more total runs than the home team at the end of a completed inning; or
2. The home team scores the winning run in the bottom half of the inning.

C. If the umpire calls the game off, it is a regulation game if:

1. At least five innings have been completed and the score is not tied; or
2. The home team has scored more runs in four, or four and a fraction, half-innings than the visiting team has scored in five completed half-innings.

D. If a regulation game is called with the score tied, it shall become a suspended match. If a game does not become a regulation game for any reason, the umpire shall declare it "No game". Statistics registered in a game that is declared "No game" will not be included in the final results.

Suspended games

Should a game be suspended prior to its completion and before it can become a regulation game, it shall be resumed at the earliest opportunity and completed. At the time of the resumption of the game, the situation of the game shall be exactly as it was when the game was suspended. Any players who were eligible at the time of suspension to enter the game may do so using normal game procedures after the game is resumed.

Official starting line-up

The official starting line-up for a game is provided to the home plate umpire during the plate conference that is held approximately five minutes prior to the start of the game.

Tiebreak rules (team quality balance)

Teams are ranked after the opening round by win-loss record of all the games played. All ties after the opening round will be broken in the order of the following list. That is, if criterion 1 does not break the tie, then it is no longer considered the criteria capable of breaking the tie, and the next criterion 2 will be used. This logic continues through the list, in order, until the tie is broken:

1. The team that won the game(s) between the teams tied will be ranked higher.
2. The team's quality balance (TQB) and game results between the tied teams will be used to rank the teams.

Note: If three or more teams are tied and when criterion 1 does not break a tie, the team with the highest TQB will be placed in the first spot. The TQB is calculated as follows: (runs scored/innings played at bat) – (runs allowed/innings played on defence). For a three-way tie and when the TQB is needed to break the tie, the TQB will place all three teams from highest to lowest placing.

3. The team that has the best earned-runs-team's-quality-balance (ER-TQB) will be ranked higher.
4. The team that has the highest batting average in games between the tied teams will be ranked higher.
5. A coin flip.

If, after applying the above criteria, some (but not all) ties are broken; the tie breaking criteria will be applied to the remaining ties, beginning with criterion 1.

Penalties/disqualification rules

Players and coaches may be suspended for one or more games for disciplinary matters. In extreme cases a player or coach may be excluded from the competition.

Protests

When a protest is made by a team manager over a suspected misapplication or misinterpretation of the official baseball rules, it shall be presented to the home plate umpire according to the official baseball rules. When such protest is made, the home plate umpire shall stop the game, inform the team manager content of the opposing team, the technical commissioner(s) assigned to work that game, and the audience that a protest has been filed.

The protest shall be presented in written form within 10 minutes after it was announced to the home plate umpire, indicating the number(s) of the official baseball rule(s) involved to the technical commissioners assigned to the game who must immediately take a decision. The presentation of a protest will incur a cost of \$200 USD to be directly invoiced to the national federation in question. If the protest occurs on a game-ending play, the desire to submit a protest must be announced by the manager or the delegation leader to the technical commissioner(s) assigned to the game. They will inform

the opposing team, the umpires, and the other necessary parties that a protest has been filed. After consultation with the umpires, a decision will be taken immediately by the technical commissioner(s) assigned to work that game. The opposing team must wait for the decision before they leave the playing field.

Any decision of the technical commissioner(s) regarding the official baseball rules is final and not subject to appeal.

Appeals

- Only a technical commission decision that is not related to the official baseball rules may be appealed to a jury of appeal. Technical commission's decisions related to the rules of the game are final and they can only appeal other items not related to game rules.
- The appeal brief must be forwarded to the jury of appeal, accompanied by a copy of the judgment being appealed and supporting materials. The presentation of an appeal will incur a cost of \$100 USD to be invoiced to the national federation in question.
- The time limit to present an appeal is three hours after having received the notification of the judgment to be appealed. An appeal may be amended only before the jury starts its deliberations, which will be so notified to the parties involved by the jury. There may not be a further appeal by any person from any situation where the subject of the appeal has been considered and decided by the jury.
- Every appellant or the person that is the subject of or involved with the appeal has the right to present materials and statements to the jury for it to consider. Each appellant or person involved may be represented by one person. The jury may take statements, interview persons or review video or audio footage to help it consider the matter and render its decision. Once the appeal has been presented to the jury, the jury will meet, consider the matter and render a decision.
- A jury may reject an appeal in part or whole and will issue a written statement of its findings, which is, save for manifest error, final and not subject to further appeal. The Jury may order a different penalty or increase or decrease a suspension or outcome from that to which the appeal was made.
- In the event of an appeal involving the suspension of a player, coach or manager, a decision will be taken within three hours, knowing that the decision of the jury could have a bearing on any subsequent games in the competition. For all other matters a decision will be rendered within 24 hours.
- Notwithstanding any provision of these regulations, a player, coach or manager who is suspended for one game or more must sit out the next scheduled game to allow the jury to complete its process and ensure due process.

OLYMPIC COMPETITION FORMAT

The softball competition at the Tokyo 2020 Olympic Games consists of a women's tournament with six teams that compete in two phases: an opening round and a final round with bronze and gold medal games. Each team competes with a 15-player team roster, and no more than nine athletes are allowed to take the field at the same time during their fielding half of an inning.

Opening round:

- There is one group of six teams, each team will play games against each of the other teams. Teams are ranked at the end of the opening round by win-loss record of all games. The four top ranked teams will advance to the medal games.

Medal games:

- In the bronze medal game, the home team will be the third ranked team from the opening round.
- In the gold medal game, the home team will be the first ranked team from the opening round.

DIFFERENCES BETWEEN THE WBSC WORLD CHAMPIONSHIP AND THE OLYMPIC GAMES

The World Baseball Softball Confederation (WBSC) World Championship is contested by 16 teams that play in two groups of eight. Each team plays every other team in the group during the opening round, followed by a championship round for the top four teams from each group, and placement games for the bottom four teams from each group.

After the championship round, the two top-ranked teams play the final, while third and fourth play the bronze medal game.

CHANGES SINCE THE BEIJING 2008 OLYMPIC GAMES

The number of competing teams has been reduced from eight to six.

The competition format has changed. The Page playoff format from Beijing 2008 will no longer be used.

SPORT RULES AND PROCEDURES

Game procedures

Starting line-up: the starting line-up for a game is provided to the technical commissioner (TC), who verifies and provides a copy to the director of umpires 90 minutes before the scheduled start time. The director of umpires passes it on to the home plate umpire right away and the line-up is official at that time. During the plate conference that is held approximately 20 minutes before the start of the game, the home plate umpire checks for changes to the official line-up.

Regulation games

A. No game shall end in a tied score. A regulation game consists of seven innings, unless extended because of a tied score or shortened because:

1. The home team leads the visiting team after 6.5 innings; or
2. The umpire, with the approval of the WBSC technical commission, calls the game.

B. If the score is tied after seven complete innings, play shall continue until:

1. The visiting team has scored more total runs than the home team at the end of a completed inning; or
2. The home team scores the winning run in the bottom half of the inning.

Suspended games

Should a game be suspended prior to its completion, it shall be resumed at the earliest opportunity and completed.

At the time of the resumption of the game, the situation of the game shall be exactly as it was when the game was suspended. Any players who were eligible to enter the game at the time of suspension may do so using normal game procedures after the game is resumed.

Tiebreak rules

Teams will be ranked after the opening round by win-loss record of all games played. A tie exists when two or more teams have the same win-loss record. All ties after the opening round will be broken by the following criteria:

A: If two teams are tied on win-loss record they should be ranked by the results of their game in the opening round;

B: If more than two teams are tied on win-loss record, rank them in the order:

- By the results of the games between the tied teams in the opening round. With two teams tied on win-loss record, they will be ranked by the results of their games in the opening round.

- If they remain tied, by their runs against record in the games between the tied teams; the team with the lowest runs against record is ranked highest, the team with the second lowest runs against record is ranked next, etc., until two tied teams remain and they can be ranked by the results of their game(s) in the opening round.

- If any teams remain tied by their runs against record in the games between themselves:

1. Two teams – they will be ranked by the results of the games between the tied teams in the opening round.
2. More than two teams – by their runs against record in all of the opening round games; the team with the lowest runs against record is ranked highest, the team with the second lowest runs against record is ranked next, etc., until two tied teams remain and they can be ranked by the results of their game(s) in the opening round.

For a tied team “runs against” is the total number of runs scored by the specified opponents of that team.

Penalties/disqualification rules

Players and coaches may be suspended for one or more games for disciplinary matters. In extreme cases a player or coach may be excluded from the competition.

Protests

When a rule clarification is made by a team head coach over a suspected misapplication or misinterpretation of the 2018-2021 official softball rules, it shall be made to the home plate umpire according to the official softball rules.

1. Umpires on the field will quickly consult and try to resolve.
2. The TC's & the field umpire in chief will go to the fence and discuss the issue with the umpires and/or the teams.
3. The TCs will discuss with the field umpire in chief and present their decision to the home plate umpire who will relay to the teams.

If the rule clarification results in a protest being made or if a protest is made, the home plate umpire shall stop the game, inform the head coach of the opposing team, the technical commissioner(s) assigned to work that game, and the audience that a protest has been filed. The protest shall be presented in written form, within 10 minutes after it was announced to the head umpire, indicating the number(s) of the official softball rules (s) involved to the technical commissioners assigned to the game, who must immediately take a decision. The presentation of a protest will incur a cost of \$200 USD that will be invoiced to the national federation in question upon the conclusion of the tournament. If the protest occurs on the game-ending play, the desire to submit a protest must be announced by the head coach or the delegation leader to the technical commissioner(s) assigned to the game. They will inform the opposing team, the umpires, and the other necessary parties that a protest has been filed. After consultation with the umpires, a decision will be taken immediately by the technical commissioner(s) assigned to work that game. The opposing team must wait for the decision before they leave the playing field.

Any decision of the technical commissioner(s) regarding 2018-2021 official softball rules is final and not subject to appeal.

Appeals

Only a technical commission decision that is not related to 2018-2021 official softball rules may be appealed to a jury of appeal. Technical commission's decisions related to the rules of the game are final and they can only appeal other items not related to game rules.

The appeal brief must be forwarded to a member of the jury of appeal, accompanied by a copy of the judgment being appealed,

quoting the rules that the appellant believes have been violated or have not been applied. The presentation of an appeal will incur a cost of \$100 USD to be invoiced to the national federation in question.

The time limit to present an appeal is three hours after having received the notification of the judgment to be appealed. An appeal may be amended only before the jury starts its deliberations, which will be so notified to the parties involved by the jury. There may not be a further appeal by any person from any situation where the subject of the appeal has been considered and decided by the jury.

Every appellant or the person that is the subject of or involved with the appeal has the right to present materials and statements to the jury for it to consider. Each appellant or person involved may be represented by one person. The jury may take statements, interview persons or review video or audio footage to help it consider the matter and render its decision. Once the appeal has been presented to the jury, the jury will meet, consider the matter and render a decision.

A jury may reject an appeal in part or whole and will issue a written statement of its findings, which is, save for manifest error, final and not subject to further appeal. The jury may order a different penalty or increase or decrease a suspension or outcome from that to which the appeal was made.

In the event of an appeal involving the suspension of a player, coach or manager, a decision will be taken within three hours of receiving the appeal, knowing that the decision of the jury could have a bearing on any subsequent games in the competition. For all other matters a decision will be rendered within 24 hours.

Notwithstanding any provision of these Regulations, a player, coach or manager who is suspended for one game or more must sit out the next scheduled game to allow the Jury to complete its process and ensure due process.
